

SCRAPBOOK SECRETS

CREATIVE CARDS

JANUARY TO JULY 2012

Get super creative with Tanya's gorgeous cards. One class with Tanya will get you happily hooked on making some of the most beautiful cards around ... you'll not want to part with them! Classes have been designed around the Beginners 1 and Beginners 2 for those that want to learn the most useful techniques and from there on; it is range & product inspired with heaps of techniques to keep you learning and satisfied! We'll be changing classes 3-6 from July, so book in or miss out!

TANYA'S MINI BIOGRAPHY

Hi! my name is Tanya and I'm a cardmaker – and before you ask; No, I don't scrap!! I've been making cards for six or seven years, and have been working and teaching at a scrapbooking shop for the last two and a half years. I've had several cards and card sets published in Cardmaking, Stamping and Papercraft magazine; which is always exciting. I really love teaching and hope you can join me for a Creative Card Class soon!

PAYMENT AND CANCELLATION POLICY

Full payment must be made at the time of booking; we cannot hold places. If you are unable to attend a class, please provide at least 2 days notice, in order to transfer you to another class at a later date. If you cancel a class with less than 2 days notice, your payment will be forfeited. If classes are cancelled by us; we will transfer your class booking to a new time, provide a credit, or issue a refund.

CREATIVE CARDS 1 - BEGINNERS ONE

Starring papers from MME 'Out of the Blue' range

Be welcomed to the wonderful world of making your own cards with our special beginner's class. Wow your friends and family with personalised touches on original cards, it's easy and it's fun! Learn how to choose and layer papers to create a professional finish. Be exposed to the wide range of materials and papers we have available in our shop to make stunning cards; such as brads, trim, punches, glitz, ink and making paper die-cuts on two different die-cut machines; one electronic and one manual. You will also be shown the basics of stamping and distressing, which will whet your appetite to learn more!

All materials and tools are supplied.

Teacher: Tanya Sullivan

Key topics, techniques and products include:

- adhesive tape 123
- paper layering
- paper punches
